Dear Sir:

alias Frank Wagoner

I inclose you photograph of Frank Wagoner, for whom
I hold a warrant, on the charge of burglary. Wagoner is
an ex-con from the Oregon State Prison, a two time loser,
first number 6919, and second 7056. His number in the
Portland Police Department, of which I understand you have
a record, is 1111. I have a good case of burglary against
this man, as he has been robbing a number of stores in
the Willamette valley for the past few months, since he was
discharged from the Oregon State Prison on May 25, 1919,
having served a five year straight sentence. Your officers
are probably familiar with him. He is a good safe man.

This county has offered \$25.00 reward for this man's
arrest.

Wagoner was arrested by a Portland motorcycle officer
on the morning of June 30th, but he got away from him before
he could get him to the station.

Wagoner has with him about ninety-five dollars in
U. S. S., and two fourth fifty dollar Liberty bonds,
numbers 8374827 and 8374793. These are part of the
Liberty bonds and stamps he got from a store in Silverton,
Oregon. He deposited two fifty dollar Liberty bonds, that
he got from this same store, as security for the machine
he was arrested in for speeding.

Arrest and notify me if located, and I will come
at once with the proper papers, and the \$25.00.

Yours very truly,

W. A. Nicholson
Sheriff.

most active combinations of bank sneaks that operated in
several years, and which may assist your department in the
identification of criminals.

Respectfully.
